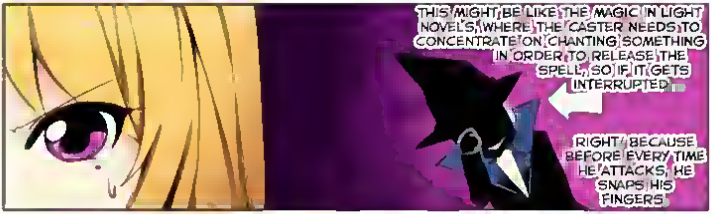
TSK, HOW ARROGANT!
HEEHEE, HOW TENACIOUS, LITTLE MEIMEI!
WHAT KIND OF PERSON ARE YOU?
I'M JUST AN ORDINARY MAGICIAN FROM "THE LAWLESS." HAVEN'T YOU NOTICED THAT YOUR SO-CALLED "SUPER POWERS" ARE USELESS AGAINST ME?

A MAGICIAN? LIKE THE ONES IN LIGHT NOVELS?
REGARDLESS, THIS MAN'S POWER IS A BIT TROUBLESOME TO DEAL WITH...
NNRGH
AH? YOU'RE AWAKE?
BLACK MAGIC ....
HAS A WEAKNESS... BECAUSE THE HEAD.... URGH....
THERE MUST BE A WEAK SPOT!
SHE MUST HAVE MEANT... THE WEAK SPOT IS HIS HEAD.....



THIS MIGHT BE LIKE THE MAGIC IN LIGHT NOVELS, WHERE THE CASTER NEEDS TO CONCENTRATE ON CHANTING SOMETHING IN ORDER TO RELEASE THE SPELL, SO IF IT GETS INTERRUPTED...
RIGHT, BECAUSE BEFORE EVERY TIME HE ATTACKS, HE SNAPS HIS FINGERS.

Chapter 2

So, basically, in our description, when we say "moe", we aren't joking. The Chinese description uses the character "Meng" which is the character the Japanese stole for their Kanji for "Moe". Fun stuff, right? Anyhow, we hope this series is appealing, as we pretty much only take on series that we like, and don't really consider "what'll be popular with readers"... But, it seems usually, the readers share our tastes.
